Assessment Piece Voki

This assessment piece should be completed only after fully exploring this library guide. The actual assessment is located on Canvas in the Information Literacy & Technology Competencies Seminar Materials course.

After accessing the above mentioned course, go to Module III: Classroom materials, and click on the link to Classroom Materials Assessment.

The instructions for the assignment are located on the page. The websites being critiqued in the assessment are located under section #4 “Picking a Technology” on the Information Literacy Classroom Materials Guide.
